Welcome to our latest news...

Welcome to our latest Messenger News. It has been such a busy and exciting year and we have enjoyed been part of this great adventure that the Lord has led us on. In March we travelled to Thailand for the 4 yearly GRN International Council meetings. It was great to meet up with our other teams from around the world and to hear their stories of what the Lord is doing in their countries. Joan and I travelled onto Japan afterwards to visit our son Chris and his family who live in Kyoto. It was great fun to see our

two grandsons Daniel and Sion aged 8 & 3.

In May we went to "The Big Church Day out" weekend to exhibit the work of GRN. There were over 20,000 people there over the weekend and great interest was shown in our work and in particular our www.5fish.mobi mobile phone web site. We also spoke at several churches and Bible colleges to present our work. If your church would like to know more about our work please let me know.

In June Kenny took a team to Kosova to work alongside the local church there in Gjakove. It was an amazing time and we met so many lovely people, many of whom are still struggling from the effects of the war in 1999. But the Lord is working in this place and the church has grown enormously with ladies groups, kids groups and youth groups all expanding. Our team from Scotland, Australia and Ireland were so blessed and encouraged being there.

After the summer months, in early September we flew to Ecuador to help with a Recordist Training Course for 8 weeks arriving back late October. This was our first time in South America and we were so blessed during our time there. The trainees were from Columbia, Brazil, Ecuador and the USA. They will be recording in the many languages of the indigenous groups living in remote villages of The Amazon countries.

During the year we have continued our recording projects both in Europe and here in the UK. Our joy is also in distributing many of the thousands of recordings we have available, either on CD, DVD, Mp3 downloads from our new look www.globalrecordings.net web site. God is working everywhere in the world drawing people to Him.

Without your prayers and financial support we can do very little. We have so many needs, expenses and projects that we would love you to consider supporting in the coming months. Thank you to all of you who already give so generously. Someone once said, "We can't love unless we give". I like that. God Bless you and bye for now...

Kenny McKee.
