Welcome to this new issue of The Messenger.

Can you believe its almost Christmas? It's been a busy few months and it seems the whole world is busy all the time. Thank you for your

time to read this and thank you for your support, prayers and encouragement over this past year. May you know The Lords great peace & blessing on you at this special time.

New Office: At the end of October we moved into our new office a few miles from our previous office at the Wycliffe Centre. They have their premises up for sale and our lease was up on 1st November, so our Board decided to move

now rather than later. We are now in a beautiful building which is a centre for over 20 different charities. The rent is slightly cheaper here as it is partly subsidised and is an ideal place for us to be placed.

Our PO Box address remains the same and our new phone number is above.

Our recording trips this year have taken us to Asbest in Russia in April, Kosova & Albania in May, and Morocco in July & in September Joan joined a mission trip to Norway. We also did some recordings at our office. During the Olympics Games in London we were able to distribute our recordings on CD and DVD to people attending the

Games in London. This was an amazing event and the whole country was so blessed by this. In June we spent a week in N. Ireland at "The New Horizons" mission's conference and made some new contacts for our work and met some old friends.

During the year we continued to send out many hundreds of recordings on the Saber units, CDs, DVDs and our flip charts and small books. Many short term teams travelling to other countries have taken our Sabers loaded with recordings and flip charts etc., for the people visiting etc.

Mobile Phones technology: We

are very excited by our new GRN mobile phone web site at www.5fish.mobi where anyone can listen to most of our 6,000 language recordings on their mobile phone. We Praise The Lord for opening this new door to our recordings.

Thank you for all your faithful support, prayers & encouragement over this past few months. We really appreciate you. God Bless you.

Legacy...If would you consider leaving something in your will or estate to Language Recordings UK to bring the Gospel to those without hope that would be great. Thank you so much.
