

Recordist Training Report from Togo, Africa.

March/April 2017

Hi there and hope you are well. Here's a short report of my recent trip to Lome, Togo in Africa. I had never known much about Togo & was excited to go there & meet the people. I was helping

Some ladies & kids going to church.

with the up-grade training of some of our recordists from Africa. They were Joshua & Edward from Nigeria, Moses & David from Sierra Leone, Justin from Cameroon & Atta from Togo. Also part of our training team were supervisors Frederick from Sierra Leone & James from Kenya. The other teachers were Jon from Thailand & Anton from South Africa. The temperature was in the high

30s for much of our time & quite humid.

It was a very busy time with the students very keen to learn new skills & techniques to comply with our Global Recordings Network recording standards. We focused a lot on the practical field recording work, computer editing & programming. We also spent lots of time on paper-

In between lessons in the sunshine.

work & documentation for newly recorded languages, for submitting to the GRN Studios.

Fellowship times every morning were great with singing in many different languages & sharing testimony's each day. We know how difficult it can be as a recordist missionary going into many difficult & dangerous situations that the enemy doesn't always like. Yes there is a spiritual battle going on to keep people in darkness. The recordists are often on the sharp end of these attacks of the enemy. That's why prayer & encouragement are essential for our teams from our prayer partners & supporters. Please pray for all our recording teams & the work they do.

We attended a lovely African style church & loved the beautiful singing, dancing & the amazing colours all the people wear. They welcomed us so warmly & Jon our co-ordinator preached & shared with the people about the work of GRN.

We are very thankful to John the Togo director & his wife Yolande for the wonderful hospitality that they & their team showed us.

On our final evening in Lome, we had a great celebration graduation-

for all the students & soon it was all over & we began to get ready to fly home to our own countries. It was a blessed time. Thank you for praying & thinking of us while we were away. One of our students while given his testimony shared from Jeremiah 1 v 4-8. "Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations....You must go to everyone I send you to and say whatever I command you..." GRN. "Telling the Story of Jesus in Every Language". God Bless you.
